

## About the Foundation:

### The DION JOHNSON FOUNDATION INC.

is a 501 (c)(3) organization established to honor and further the legacy of a young man who was paralyzed from a high school football accident in 1993 and tragically passed away in August 1999.

Dion Johnson was a hard working and ambitious young man who educated people through his words and deeds, believing that "being disabled does not mean that you aren't able."

Dion graduated from Bowie State University with a B.A. in Communications in May 1999.

He worked as an intern for the Sports Department at WJLA-TV7 and then began his reporting career with the I-Team investigative unit. He was also an active member of the Prince George's County Public Schools Special Education Advisory Committee.
